ACT/017/017
Garfield County, Utah

Dear Mr. Gerdeman:

Thank you for filing the Annual Operations and Progress Reports for Plateau Resources, Ltd.'s above referenced operations.

Ms. Susan Linner has replaced Mary Ann Wright as the Division's Reclamation Biologist. Either she or another member of my staff will contact you to arrange a site visit sometime this spring or summer.

The only information the Division may hold as confidential is that relating to the location, size, or nature of the deposit according to section 40-8-13(2) of the Utah Mined Land Reclamation Act. In reviewing the information contained in the Annual Operations and Progress Reports, I fail to find any information falling into this category. Please notify me if I am mistaken.

Sincerely,

JAMES W. SMITH, JR.
